

41st Annual Meeting, June 28th-30th 2018, Vancouver, BC

Dear Colleagues

This is the first *Call for Symposia* for the Canadian College of Neuropsychopharmacology 2018 meeting, to be held in the heart of downtown Vancouver at UBC Robson Square, **June 28th-30th, 2018**.

Symposia proposals should include: (1) identification of the Chair(s), (2) a brief synopsis of the symposium theme, and (3) a confirmed list of four speakers, including institutional affiliations plus tentative titles and brief topic summaries. Symposia should focus on topics that are timely and of broad interest to the CCNP membership. The local organizing committee encourages multi-institutional submissions with a translational component, and a diverse mix of researchers. All speakers will receive a heavily subsidized reduction in registration fees.

Proposals should be emailed as Word or PDF attachments to Dr. Alasdair Barr at: al.barr@ubc.ca
