## **CCNP MEMBERSHIP**

We encourage each member of the CCNP to invite at least one other person in the field of neuropsychopharmacology to join our ranks. Enclosed is a recruitment letter that can be used to encourage new members to join the CCNP. Please fill in your name as the sponsor and invite a colleague that you feel will be a valuable addition to the CCNP to submit an application for membership. This is very important since the larger the membership of the CCNP, the more representative of the field of neuropsychopharmacology research it will be. Please, therefore, consider asking all of your colleagues who are interested in research to consider joining. Those wishing to apply for CCNP membership can do so on-line at the CCNP website (<http://www.ccnp.ca>).

**Membership dues are \$150 per year for Fellows, and \$25 per year for both Junior Members and Retired Fellows.** Access to the *Journal of Psychiatry and Neuroscience*, the CCNP's official journal, is offered to the CCNP membership free-of-charge.
