

Hello, CCNP Members, and sincerest apologies for this long overdue communication. The Executive Committee underwent major changes in membership since the conclusion of the 2024 Annual Meeting, and we would like to take this opportunity to introduce ourselves:

**President – Dr. Daniel Mueller**

**Treasurer (Interim) – Dr. Joshua Rosenblat**

**Secretary – Dr. Darrell Mousseau**

**Secretariat – Mrs. Trudy Valliere**

We thank you for your patience and understanding as our newest members transition into their roles and meet to discuss how best we can serve you, the CCNP Members.

## **2024 CCNP ANNUAL MEETING**

We are delighted to announce our 2024 CCNP Annual Meeting is scheduled for September 25 – 27 and will be held in Calgary, AB. We are working on securing a keynote speaker, after which registration will open on the CCNP website (we will alert you via email when this occurs). Calls for abstracts, etc., will also be going out soon. In the meantime, please save these dates in your calendar!

## **CCNP MEMBERSHIP**

The current cost of dues is being reviewed and there will likely be a slight increase effective this year. We will update you, and the website, accordingly. We would kindly ask our Members to encourage others to join the CCNP! If you know of someone, including students, please email Trudy via the CCNP email address or via [pike345@hotmail.com](mailto:pike345@hotmail.com). Information regarding membership can be found on the website. Also, this a reminder to please update your profile on the website to ensure your demographics are up to date.

## **COMMITTEE MEMBERSHIP**

The function and length of service of members on the various committees is being reviewed. Once this is complete, calls for nominations will be distributed. Please take a moment to consider who you would like to nominate (including yourself)!

## **YOUR FEEDBACK**

We strongly encourage Members to provide feedback, ideas and thoughts which you would like the Executive to discuss at their meetings. The CCNP website is also a great way for members to

communicate with other members, so please feel free to let Trudy know of any announcements or information you would like shared CCNP-wide.

## **Further Communication**

Please stay tuned for updates regarding the CCNP and the upcoming Annual Meeting.

Many thanks from the Executive Committee!
