

## Call for Symposia Proposals –

## Deadline Extended

### 46<sup>th</sup> Annual Meeting of the CCNP

September 25 - 27, 2024

Calgary, AB

Dear Colleagues:

We would like to invite you to propose symposia for the 2024 meeting of the **Canadian College of Neuropsychopharmacology** which is being held at the Alt Hotel Calgary University District in Calgary, Alberta, from September 25 – 27, 2024.

Symposia proposal should include (1) identification of the Chair(s), (2) a brief synopsis of the symposium theme (~ half a page), (3) a confirmed list of four speakers, including institutional affiliations, and (4) tentative titles plus a brief summary of each talk (3 - 4 sentences). Symposia should focus on topics that are timely and of broad interest to the CCNP membership. The local organizing committee encourages multi-institutional submissions with a translational component and a mix of junior and senior researchers. We encourage individuals from equity seeking groups such as women, racialized/visible minorities, Indigenous peoples, persons with a disability and others who reflect the diversity of Canadian society to be included as presenters.

Proposals should be emailed as Word or PDF attachments to Trudy Valliere at [pike345@hotmail.com](mailto:pike345@hotmail.com).

**New Extended Deadline for Submission: June 21, 2024**

We look forward to seeing you in Calgary!
